"Let your light shine"

On Friday, we celebrated Harvest in school.

Thank you to all the parents and caregivers who were able to bring in items which will be passed on to our local food bank.

Our school value of Thankfulness this term has given all children the opportunity to reflect on how lucky we are in school and celebrate our 'Now' and 'WOW' moments.

Miss Cullen
Head Teacher

Dear God,

**We thank you for all the gifts of ripened fruit and
vegetables you give us at Harvest time,**

for the bread and cereals on our table every day

and for the other good things we have to eat.

Help those who are less fortunate

And grant us all your peace this day and for evermore

Amen

Times Tables Rock Stars

TTRS is an online resource that we, as a school, have now subscribed to. The website allows children to practise their times tables through a competitive element. When you log on, you can select different areas known as arenas to complete a range of times table tests. Each child in Years 1-6 will receive a username and password this week so that they can start to explore TTRS. A screentime limit has been added to our whole school. Children will only be able to access TTRS between 7am and 8:30pm.

BLACK HISTORY MONTH 2024

Miss Cullen's Recommended Reads

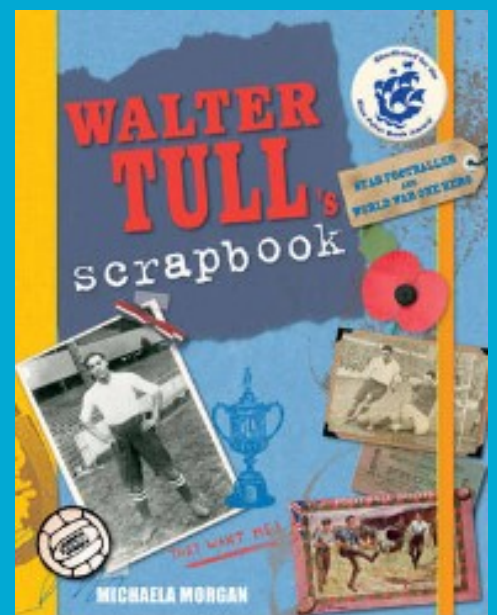

In the Little People, BIG DREAMS series, discover the incredible life of Muhammad Ali, 'the greatest' boxer of all time.

When he was little, Muhammad Ali had his bicycle stolen. He wanted to fight the thief, but a policeman told him to learn how to box first.

After training hard in the gym, Muhammad developed a strong jab and an even stronger work ethic. His smart thinking and talking earned him the greatest title in boxing: Heavyweight Champion of the World.

The inspirational true story of Walter Tull's life is vividly reimagined here in scrapbook form, drawing on photographs, documents and records of his life. Born in Kent, in 1888, Walter Tull became not just the first black British professional outfield football player - for Tottenham Hotspur and Northampton Town - but also the first black officer in the British Army. His leadership and courage in the trenches of the First World War won him a recommendation for a Military Cross that was never awarded because of his skin colour. His story takes the reader from his childhood in an orphanage, through his footballing years, to his eventual tragic death, aged 29, on the Somme. His legacy lives on.
