"Let your light shine"

What a strange week we have had, from summery weather to rain and clouds. Added to an INSET day yesterday, I am sure many of us are looking forward to our normal, regular routine (after Monday's bank holiday)!

With normal school days being so busy with teaching and learning for children, INSET days are a good opportunity to focus on our own learning and development. Yesterday's training day involved Teachers, TAs, Midday Supervisors and Admin staff in a variety of sessions. Teachers took part in a meeting about subject leadership with Mrs Baddeley in the morning whilst I led a session on PDA (Pathological Demand Avoidance) and SEND (Special Educational Needs and Disability) with our wonderful Teaching Assistants. In the afternoon, we came back together for training on Health and Safety. This is valuable professional development for all staff and something which we revisit throughout the year.

In school, the children have been exercising their democrat right and voted for who they wanted to be May King this year, alongside our two Queens, Imogen and Chloe. It was a very close vote with only one vote between first and second, but it gives me great pleasure to announce that Mason will be our May King this year.

Poppy Playtime

It is important that you are aware that whilst the name and characters suggest a playful game, it is a **survival horror game with graphics that may not be suitable for your child**. It includes characters such as 'Kissy Wissy' and 'Huggy Wuggy.' Please view this game before allowing your child to play it as it may not be appropriate for them – particularly young children.

Children may be playing the game or just watching videos of it on sites such as YouTube or playing replicated versions on Roblox for example.

TIK TOK

You must be over 13 years of age to use TIK TOK.

Trends and Influencers

We often see trends on social media, for example a latest trend found is around skin care routines, which can lead to children purchasing products that are completely unsuitable/dangerous for their skin. You can find out more here: <https://www.bark.us/blog/skin-care-tweens/>. Influencers are people who have a large following on social media who through recommendations and promotions, influence the behavior or buying habits of others. The NSPCC discuss what we need to be aware of here: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/online-safety-blog/2023-05-16-the-influence-of-influencers/>

Stranger contact

Talk to your child about who is following them online and ensure that they understand that people may not be who they say they are when online. It is important that children know not to share personal information.

Blocking and Reporting

Ensure your child knows how to use the safety features available to them, including how to report comments, direct messages and another user.

The Year 2 Classroom became a Science laboratory on Friday as the children became absorbed in peering through the bio-viewers on loan from Ashlawn School.

As part of their lesson on "What is a microscope and why do scientists use them?", the children were able to use slides to see magnified bacteria, the leaves of flowering plants and animal cells.

Huge thanks to Ashlawn School for lending the equipment; the children really enjoyed the lesson.

Twelve-year-old Rose can't remember anything before last week, when she woke up not knowing her own name, her own house, or even her own mother. The only thing Rose recognized was her puppy, North. But Mother patiently explained everything - well, not everything. Not the real-feeling dreams Rose has about a mysterious forest she half-recognizes. Or why she is not allowed to stray beyond the garden, out into Luminelle, the vast city surrounding them. Mother is kind and helpful, but Rose can't shake the feeling that something's not right. Or maybe it's everything that's not right? But then, when Rose flees to the outside world with North, it quickly becomes clear to Rose that she is different. And for reasons she doesn't understand, she's dangerous. Psalm 98

Sing to the Lord a new song, for he has done marvellous things.

His own right hand and his holy arm have won for him the victory.

The Lord has made known his salvation; his deliverance has been openly shown in the sight of the nations.

He has remembered his mercy and faithfulness towards the house of Israel, and all the ends of the earth have seen the salvation of our God.

Sound praises to the Lord, all the earth; break into singing and make music.

Make music to the Lord with the lyre, with the lyre and the voice of melody.

With trumpets and the sound of the horn sound praises before the Lord, the King.

Let the sea thunder and all that fills it, the world and all that dwell upon it.

Let the rivers clap their hands and let the hills ring out together before the Lord, for he comes to judge the earth.

In righteousness shall he judge the world and the peoples with equity.

In righteousness shall he judge the world and the peoples with equity.

Collect for Easter 6

God our redeemer, you have delivered us from the power of darkness and brought us into the kingdom of your Son: grant, that as by his death he has recalled us to life, so by his continual presence in us he may raise us to eternal joy; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever. Amen

Acts 10. 44—48

While Peter was still speaking, the Holy Spirit fell upon all who heard the word. The circumcised believers who had come with Peter were astounded that the gift of the Holy Spirit had been poured out even on the Gentiles, for they heard them speaking in tongues and extolling God. Then Peter said, 'Can anyone withhold the water for baptizing these people who have received the Holy Spirit just as we have?' So he ordered them to be baptized in the name of Jesus Christ. Then they invited him to stay for several days.

1 John 5. 1—6

Everyone who believes that Jesus is the Christ has been born of God, and everyone who loves the parent loves the child. By this we know that we love the children of God, when we love God and obey his commandments. For the love of God is this, that we obey his commandments. And his commandments are not burdensome, for whatever is born of God conquers the world. And this is the victory that conquers the world, our faith. Who is it that conquers the world but the one who believes that Jesus is the Son of God? This is the one who came by water and blood, Jesus Christ, not with the water only but with the water and the blood. And the Spirit is the one that testifies, for the Spirit is the truth.

John 15. 9—17

Jesus said to the Eleven: "As the Father has loved me, so I have loved you; abide in my love. If you keep my commandments, you will abide in my love, just as I have kept my Father's commandments and abide in his love. I have said these things to you so that my joy may be in you, and that your joy may be complete.

'This is my commandment, that you love one another as I have loved you. No one has greater love than this, to lay down one's life for one's friends. You are my friends if you do what I command you. I do not call you servants any longer, because the servant does not know what the master is doing; but I have called you friends, because I have made known to you everything that I have heard from my Father. You did not choose me but I chose you. And I appointed you to go and bear fruit, fruit that will last, so that the Father will give you whatever you ask him in my name. I am giving you these commands so that you may love one another.'
