"Let your light shine"

As part of World Peace Day on Thursday 21st September, children across school took time to reflect on what peace and reconciliation means.

This year's theme was around the actions that we can take to ensure that we live in a world of peace, and how each class, our school, our local community and our wider community as part of the Trust can all share the collective responsibility to foster peace.

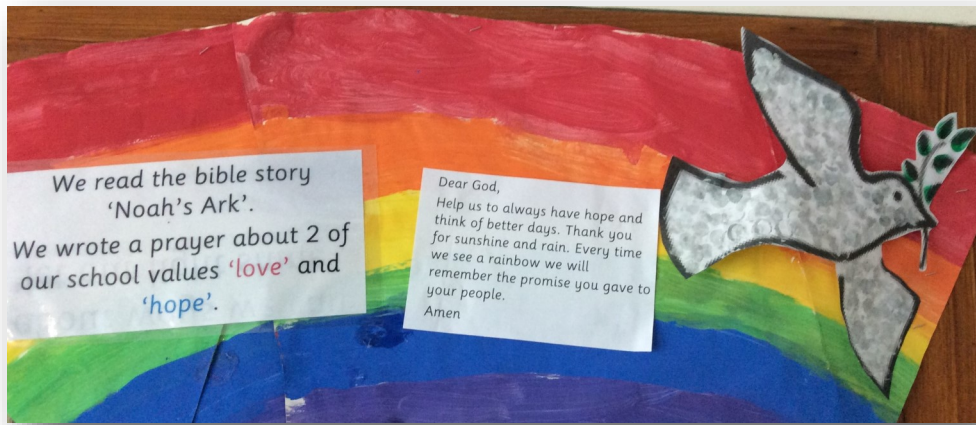

Year 5 were able to link their learning as they started to explore World War 1 as part of their history topic this year.

Mrs Lampe Cullen, Head of School

Almighty God,
from whom all thoughts of truth and peace proceed:
kindle, we pray, in the hearts of all, the true love of
peace
and guide with your pure and peaceable wisdom
those who take counsel for the nations of the earth
that in tranquillity your kingdom may go forward,
till the earth is filled with the knowledge of your
love;
through Jesus Christ your Son our Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.
Amen

Peace is

Quiet

Silence can be scary

But

Peace is

My happy time,

Playing with my phone,

Listening to music.

Peace is goodness,

Sitting outside,

Listening to trees.

Peace is silent guns,

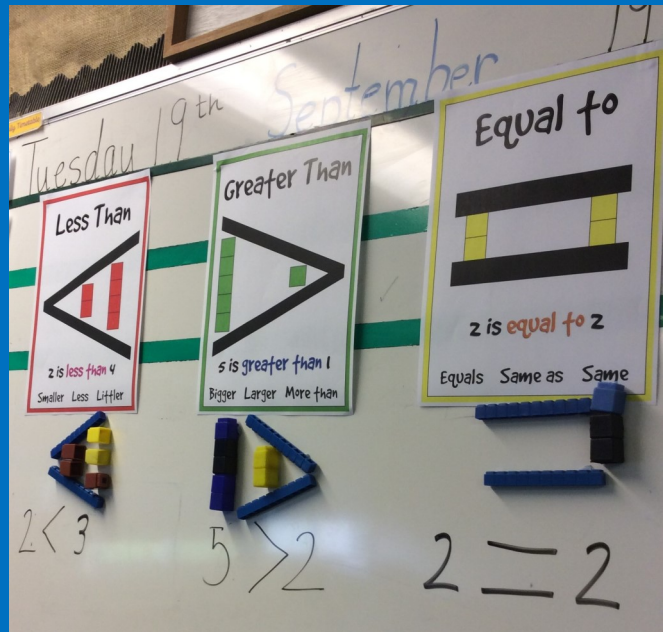

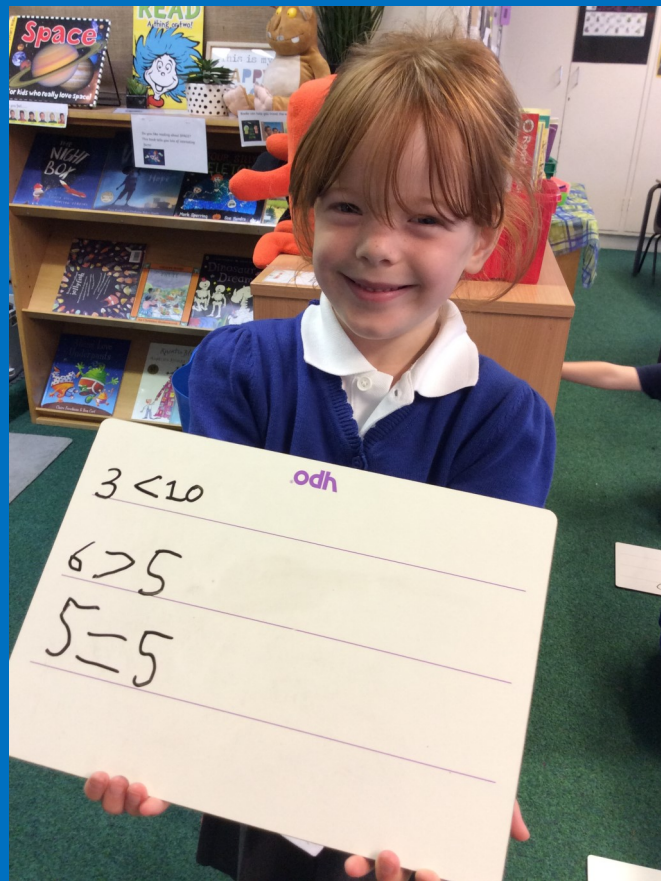

Children playing football,

Learning.

Year 6

Mrs Collins reports that Year 1 have done some great work in Maths this week.

Children from our newly formed school choir will be raising a hallelujah on Saturday evening at St. Leonard's Church at their Autumn Concert.

Thank you for representing our school!

Cycle to School Week takes place between Monday 25 – Friday 29 September 2023. The information below has been written by Outspoken Training who deliver cycle training across Warwickshire. We have been asked by Warwickshire County Council to share this with parents.

1. Prepare to Cycle

Is your cycle ready to ride? We recommend completing an ABCD check before every ride; Air in your tyres, Brakes are both working, Chain is well lubricated and the Direction of your handlebars are straight and tight in that position.

2. Plan your Route

The funniest and best routes aren't always the most direct route. Use a map planning tool such as Cycle Streets to see if there are more scenic and enjoyable routes to your destination.

3. Four Key Skills

Excellent cyclists are consistently aware of their surroundings and the actions of others (Observation), choose and maintain appropriate road positions (Position), are able to communicate their intentions (Communication) and follow priority rules of the road (Priorities).

4. Routines

A set routine can make manoeuvres easier: 1. Look behind for following road users 2. Communicate your intentions 3. Move into an appropriate road position and 4. Prioritise who goes first.

5. Observation

Regularly check all around so you are aware of your surroundings and the actions of others. Before completing a manoeuvre, check behind to see if you have time and space for the manoeuvre. Looking behind lets others know you are about to do something.

6. Communication

Let other road users know what you are planning to do in plenty of time by communicating your intentions through eye contact (have they seen me?), signalling (where are you going?) and adopting an appropriate road position (create time and space for yourself).

7. Positioning

Choose and maintain the most appropriate place to ride on-road. If you can share the road and allow other road users to overtake, ride an arm's length away from the edge of the road but not in the gutter. If you need time and space for a manoeuvre or can match the speed of other road users, ride in the middle of your lane. This helps you and other road users to see and be seen.

8. Priorities

Follow the rules of the Highway Code and know who goes first at junctions. Give yourself time to observe road signs and marking to help you prepare for decision making.

Breakfast Club at The Ark

From 1st October 2023, Breakfast Club will take place in the school hall, not in the Ark building.

Children should enter via the door opposite the Ark building.

Thank you.

PTA MEET & GREET

The Blacksmiths Arms
Friday 29th September
7:30pm

Hello! We are Hannah and Emily, the PTA at Ryton-on-Dunsmore Provost Williams Academy. We are excited about this new school year and looking forward to planning some events and raising money.

We have a Facebook page that you can follow to keep up to date - just search Provost Williams PTA.

In the past, our PTA has funded lots of exciting things for the school such as playground equipment, ipads and reading books. We are currently looking to fundraise for cooking equipment.

We currently have only two of us involved in the PTA now, so to run any of our big events like discos and the Christmas Fayre we really need some new members! We are having a meeting on **Friday 29th September, 7:30 at The Blacksmiths Arms** and would love you to come along! Whether you'd like to join our team, help behind the scenes or get involved at our events, we'd love to chat with you.

If you can't come along, or if you have any questions, just find us on the school run. Thanks so much!

Can we please remind everyone about coming into school safely.

In school, we have explained to the children that they are to **dismount from their bikes and scooters** before entering the school gate in the morning and walk their bike or scooter to the stand.

There have been a few near misses this week and we want to ensure the safety of all pupils and staff in and around our school.

Mrs Lampe Cullen

Thank you to the parents who came along to our Nursery and Reception Phonics Workshop this week.

Also thanks for the great attendance at our Culmington Manor Parents' meeting this week.

Your support is appreciated.

WORLD'S BIGGEST COFFEE MORNING

MACMILLAN
CANCER SUPPORT

Our PWP Macmillan Coffee morning is at 9am on Friday 29th September.

There are 3 ways to get involved:-

Send a donation of cakes in on
Thursday 29th September

Come along for tea/coffee and cake
at 9.00am

If you have to dash off, pop in at 9am
to grab a slice of cake for later!

On the day, pay by cash please. Our mobile phone signal did not support card payments last year so cash only please.

Each class will have the opportunity to come to the hall to buy a cake, so please send some cash in with them if they would like to take part.
