7th July 2023

Provost Williams C. of E. Primary School

@ProvostWilliams

What a fantastic turn out for the annual Sports Day at Provost Williams. Thank you to all the families and friends that were able to come and share the afternoon with us. There were some very tight races and the children really did put in 100% effort into each race they took part in. Mr Loscher and I were really tested on where we placed children. It was great to see staff stepping up to help settle the winning team - well done red team!

The last few weeks of term are set to be busy, with transition on 10th July, reports due out, open classrooms, KS2 production to take place and the Year 6 Prom. All staff are looking forward to meeting their new class on Monday and sharing with them what next year will look like. There will be no changes to the arrangements for when children arrive and leave school on Monday, so head to your normal class when you arrive on Monday.

Safety in and outside school:

There have been a few occasions where children on scooter and bikes have knocked or run into member of the school community as they take their bikes/scooter to and from school. With this in mind, can I ask that all children dismount from their bike/scooter before entering the school grounds and walk with them to the bike stands. Equally, when leaving school, walk with them outside of the school gate before getting on them.

We have also had concerns raised by a resident about being blocked in by parents collecting their children. Can I ask that everyone is mindful and respectful of those who live near the school and parking in a safe manner that allows for a flow of traffic around the school.
