16th June 2023

Provost Williams C. of E. Primary School

@ProvostWilliams

What a truly amazing end to the week we have had celebrating Father's Day with our families. It was wonderful to see so many here enjoying time with their children, building, colouring and chatting.

We have now come to the end of the statutory tests in primary schools with Year 1 completing their Phonics Check and Year 4 taking their Multiplication Check. The children all rose to these as 'just one of those things we do in school' and were not fazed by them, which was amazing to see. This is not to say that the children did not do their very best, but their approach was one of resilience and dedication.

On Thursday, Year 4 and 5 attended Allve! 2023 with over 4500 other children. This was an event run by Coventry DBE along with Imagine Ministries and Feed the Hungry and was a praise party for all Church of England schools in Coventry and Warwickshire. The children sang, screamed and danced their way through the event, with one child telling us that 'This is the best trip I have been on'. The theme was 'World Changers', changing the world one step at a time. In school we will be doing our part so look out for future events. The link below is the song that children learnt and something which we will be sharing in school.

And finally, a well done to our Year 6 football team. They faced St Matthew's last night, and although we went ahead at one point, we unfortunately lost 3 - 2. The children did not give up and continued to encourage each other. Thanks to Mr Lee for arranging and refereeing the match.

Mrs Lampe Cullen, Head of School

Year 6
Footballers

Nursery are learning about "Jobs and Uniforms" in school at the moment and on Thursday had some visitors in school to help them understand the roles of the police and nurses.

Father's Day Ploughman's and Lego!

Mrs Lampe Cullen's Recommended reads

Unleash your magic. Save your home.

Fablehouse is a children's home like no other. Housed in a crumbling mansion that perches on a cliff and backs on to ancient mysterious woodland, this is the home for many of Britain's Brown Babies, children born to African American GIs and white, British women following the Second World War. Heather has already been through several children's homes and is trying her hardest not to trust Fablehouse and its unusual head teacher, Miss Isolde.

But when children start acting strangely, Heather discovers a plot from a fae realm to infiltrate and overthrow the human world. With the help of Palamedes - the Black Knight from King Arthur's Round Table who has been guarding the magical doorway to the fae world - and three friends, Heather sets off on a quest to rescue the children who have been replaced by changelings.

With simple, direct questions, thoughtful, compassionate answers and stunning illustrations by the Ukrainian artist Oksana Drachkovska, this book explores what it really means to be a refugee.

Written with advice from the Refugee Council and drawing on conversations with refugees and aid workers from around the world, the questions cover all stages of a refugee's journey, from fleeing danger and embarking on hazardous journeys, to seeking asylum and struggling to find a new place to call home.
