## Crowning Special

26 May 2023

What a fantastic end to the term! How brilliant were the children's performances today? They rose to the occasion and did us all very proud. I am already looking forward to next year!

This term saw Year 2 and Year 6 sit their statutory assessments. As a school, we are very proud of how they faced them and took each test in their stride. We know that this is just one part of who they are as children and no matter what the results come back as, we know that they have all done their very best - we couldn't ask for more.

Have a wonderful and safe half term and we look forward to welcoming you all back on Monday 5<sup>th</sup> June.

Mrs Lampe Cullen

Mrs Lambeth was very proud of all of the children in Year 3 today. They danced beautifully and really let their light shine!

## Executive Headteacher's Half Term Challenge

This is the final challenge of the year, and it is a creative one! Using items you might find around your home and empty packaging you might be tempted to throw away; have a go at making something. Here are some ideas:

Bring your creation to school on our first day back after the half term holiday **Monday 5<sup>th</sup> June 2023**. Prizes will be awarded to the best 3 on **Friday 9<sup>th</sup> June 2023**

Mrs Baddeley

Executive Head Teacher

Huge thanks to everyone who played a part in the PTA gala after school today. Our PTA members were in school all day preparing stalls, food and games. They are a small but dedicated bunch, focussed on raising much needed funds for the school.

Also thanks to Mr and Mrs Hands for organising the float, Year 3 parents for decorating it, Mr Scott-Elder for the hot dog donations. We are very lucky to have so much support.

PTA will soon let us know the fund raising total, which we will announce after half term. Thank you everyone!

## Mrs Lampe Cullen's Recommended reads

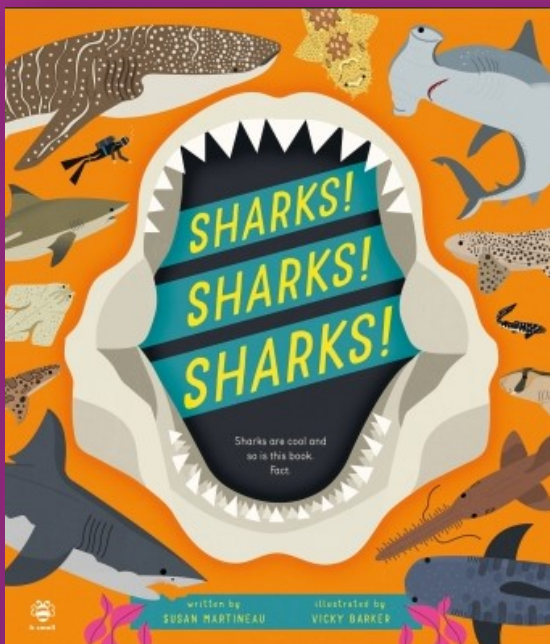

Cosima Unfortunate has spent all her life at the Home for Unfortunate Girls - a school where any disabled children, or children deemed different, are sent, whether their families want it or not. It is there that she meets her friends - Pearl, Mary and Diya - and they start to practise mini heists involving the theft of cakes, biscuits and other sweet goodies.

What is a shark? Do sharks have friends? And do sharks really have superpowers?

The perfect book to surprise shark-loving superfans and delight nature investigators everywhere. Join award-winning non-fiction duo, Susan Martineau and Vicky Barker, as they journey through mangroves, along the shore and into the deep on the hunt for the answers to these questions ... and many more. There are coral reef sharks, glow-in-the-dark sharks, baby sharks and even mystery sharks.
