Provost Williams C. of E. Primary School

@ProvostWilliams

It has been an unusually short week in school with us having the Bank Holiday Monday and INSET day. All staff took part in training on Thursday, together with the staff of Stretton Church of England Academy. We revisited previous professional development topics, exploring what went well for our children and how we can improve our practice for the rest of this school year and beyond. Teaching Assistants were also involved in the training, helping to ensure that all children's needs are met.

All staff were also involved in Safeguarding training and looked in detail at the issues surrounding Domestic Violence and the effect this has on children.

On Wednesday, the whole school voted for our May King and Queen 2023. It is a special time for the whole of Year 3, but the lucky pair voted as May King and Queen were Carter and Sophie! Year 3 parents can expect a letter early next week with more information.

To commemorate the Coronation of King Charles III, the PTA have given each child one of these wonderful seed cards to take home on Friday. They contain no plastic and are perfect for bees and butterflies. Thank you PTA!

Y6 SATs

Children in Year 6 have spent the last weeks and months preparing for the Standard Assessment Tests (SATs), which start next week.

Mr Lee said:-

"Year 6 have worked extremely hard in preparation for SATs. I have been delighted to see the calm and resilient approach the children have shown and I am sure they will all do well next week."

**SATs don't measure sports, SATs don't measure art,
SATs don't measure music, or the kindness in your heart.
SATs don't see your beauty, SATs don't know your worth,
SATs don't see the reasons you were put upon this earth.**

**SATs don't see your magic, how you make others smile,
SATs don't time how quickly you can run a mile.
SATs don't hear your laughter, or see you've come this far,
SATs are just a tiny glimpse of who you really are.
So sitting at your table, with a pencil and your test,
Remember SATs aren't who you are; remember you're the best.**

Year 6 children are invited to a SATS breakfast from 8.30am each day next week.

Sadly we had very few responses to the parent consultation about homework.

If you haven't already, please follow the link below,. There is just one question to answer and it could make a huge difference to how the school structures home learning in the future.

Coronation Party at Provost Williams Primary

We will be holding a party to celebrate the Coronation of King Charles III on Friday 12th May. Children booked into the Ark on that day will also be joining in. We ask for donation as follows, to be brought into school on the morning of 12th May:-

Ark	Biscuits
Reception	Mini Sausages
Year 1	Biscuits
Year 2	Crisps
Year 3	Cheese Strings or Babybels
Year 4	Cakes
Year 5	Cakes
Year 6	Crisps

All children are invited to wear Red White and Blue, all day on 12th May!

At 3pm on 12th May, parents are invited to come in to school to see the children's work on the life of King Charles III. Thank you for your support.

Mrs Green and Mrs Bowen made some special crown biscuits on Friday for the children, a nice treat to end the week!

Year 3 photographers Olivia and Lottie took these beautiful photos of spring flowers and our tree in full blossom.

VS VICTIM SUPPORT

WeMatter

An online group work programme for children and young people affected by domestic abuse

What is WeMatter?

WeMatter is a totally digital service providing specialist support to children and young people aged 8-17 years old, who have been affected by domestic abuse. WeMatter delivers the CYP Domestic Abuse Recovery Toolkit, which offers a range of activities and discussions informed by Trauma Focused Cognitive Behaviour Therapy. This group programme is designed to help children and young people understand their own experiences, develop healthy coping strategies, increase levels of safety and achieve positive future relationships.

Confidentiality and consent

WeMatter offers a safe environment for children and young people to cope and recover from their experience of domestic abuse. Each session is focused on discussions and sharing ideas, but none of our group participants are asked to share anything that they do not wish to.

Our support for children and young people is confidential which means that information will not be shared outside of WeMatter unless we are worried that a child may be unsafe or at risk of serious harm. Where this information is required to be shared, we will always try to explain clearly who that information will be shared with and what may happen next.

Taking part in WeMatter

WeMatter is a voluntary service designed to support children and young people in a group work setting with others who may have historically shared a similar experience to them. The WeMatter group work programme will be facilitated by two specially trained CYP Programme Facilitators over the course of eight weeks. We offer a varied timetable of courses available to children and young people, which they are able to access at home or during the school day. Each virtual support session lasts approximately one hour and is fully accessible via Zoom. For the safety of the group participants, it is essential for each to have their camera on and access the course using a computer, laptop or smart device.

Session content

The course content has been developed by Rock Pool with the vision to inspire hope, promote resilience and aid recovery.

Session one: Introductions.

Getting to know each other, setting ground rules and exploring what we will cover.

Session two: Why am I here?

Exploring what has happened, and how we cope with difficult feelings.

Session three: Self esteem, what is it?

Exploring self-esteem, what it means and how domestic abuse can effect this.

Session four: Who's in my family?

Exploring relationships with family members and increasing levels of safety.

Session five: Talking positively.

Re-visiting self-esteem and introducing positive affirmations.

Session six: Ways to handle difficult feelings without getting into trouble!

Exploring healthy ways to cope with anger and simple relaxation techniques.

Session seven: Healthy relationships and trust.

Examining what a healthy relationship looks like.

Session eight: What now?

Identifying tools that will be helpful in the future.
