

# PWP Post

Provost Williams C. of E. Primary School

24th March 2023

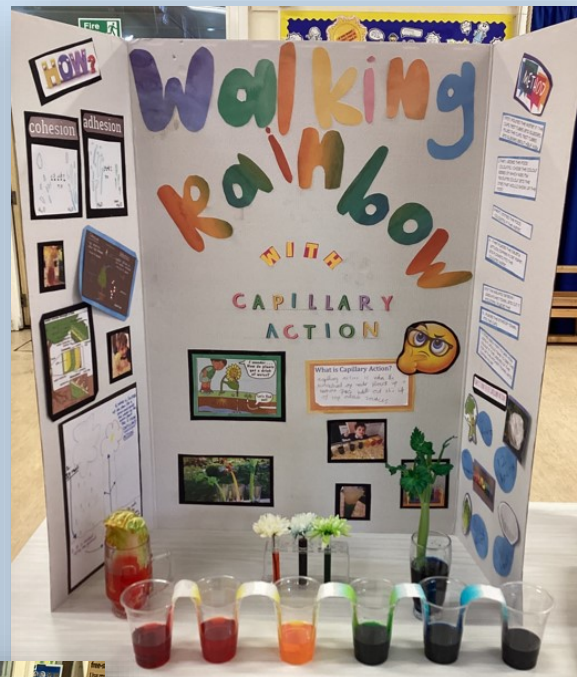

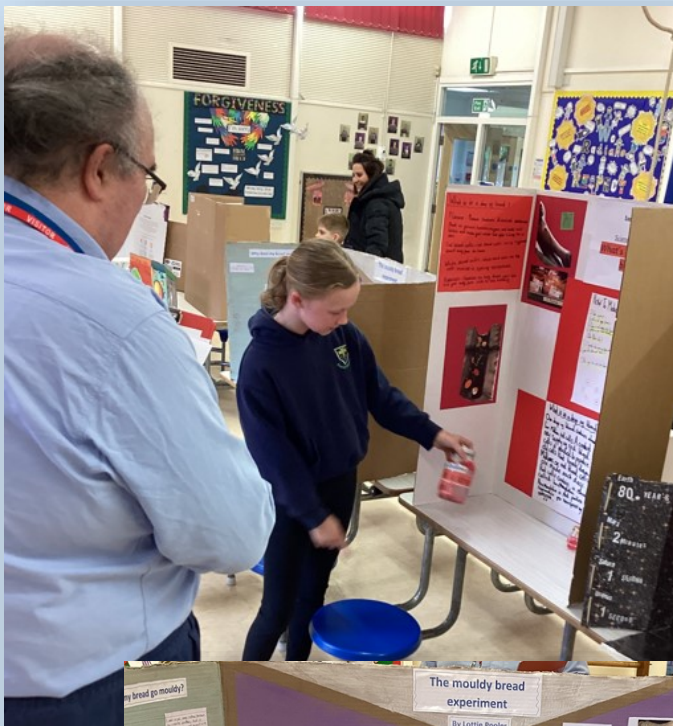

@ProvostWilliams

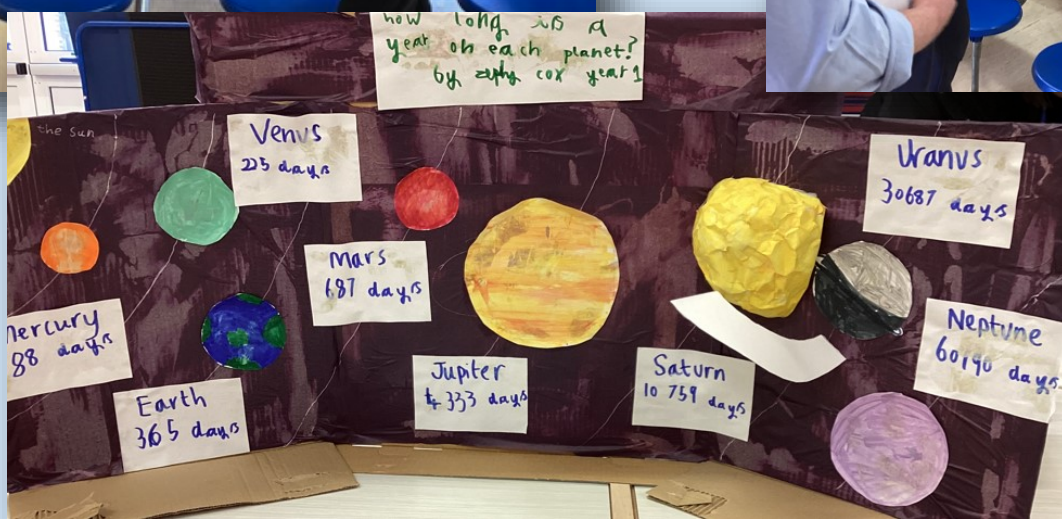

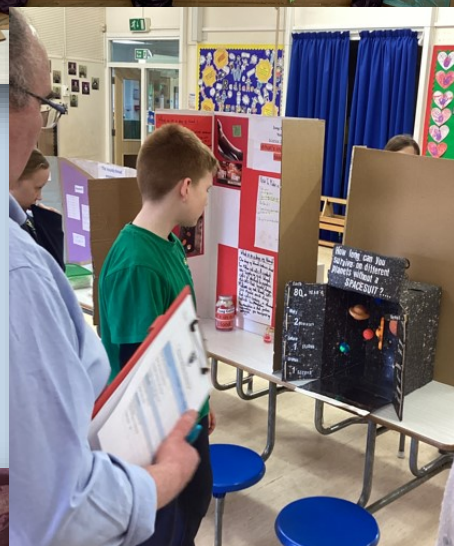

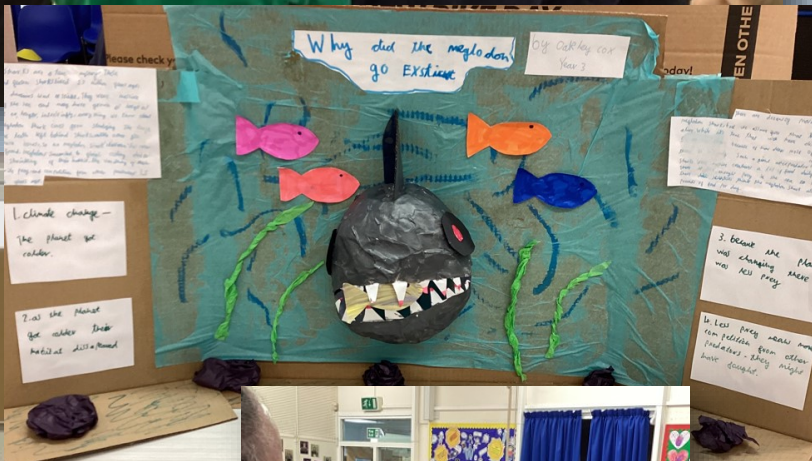

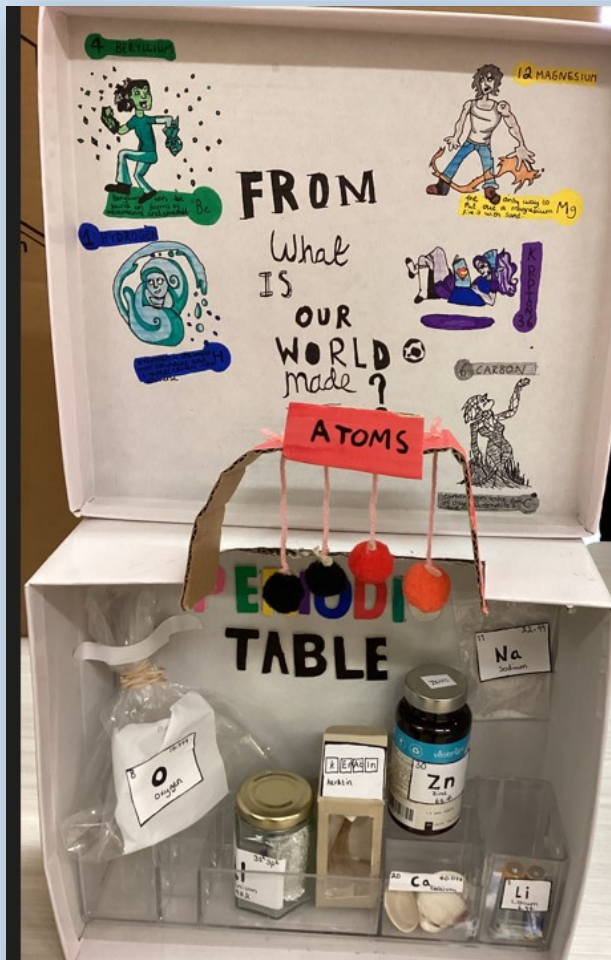

It has been assessment week in school and all the children have faced it in a focused and levelled manner. During parents evening next week, staff will be able to give you an accurate view on how much progress your child has made and what their next steps are to ensure they can achieve their very best.

Alongside the assessments, each class has also explored a variety of science experiments, from melting chocolate and ice in Reception to painting with magnets in Year 1/2 and exploring your finger print in Year 5.

This afternoon, I had the pleasure of judging the Science projects with the help of local Histopathologist, Doctor Paul Matthews. All the children were able to explain their projects and the wealth of knowledge that they all shared was truly amazing. I'm sure the parents who attended our 'open classrooms' afternoon will agree how much effort the children have put in. Well done to all the children who took the time and care to produce such wonderful projects.

All the children were awarded a certificate and chocolate. The winners were Oakley, Zephy, Anna and Dylan. Well done!

## SATS Reminder

These are the dates (set nationally) when children will be undertaking Standard Assessment Tests (SATS).

### Key Stage 1

W/C Monday 12th June 2023

Phonics Screening Check

### Key Stage 2

Tuesday 9th May

English Grammar, Punctuation and Spelling papers 1 and 2

Wednesday 10th May

English Reading

Thursday 11th May 2023

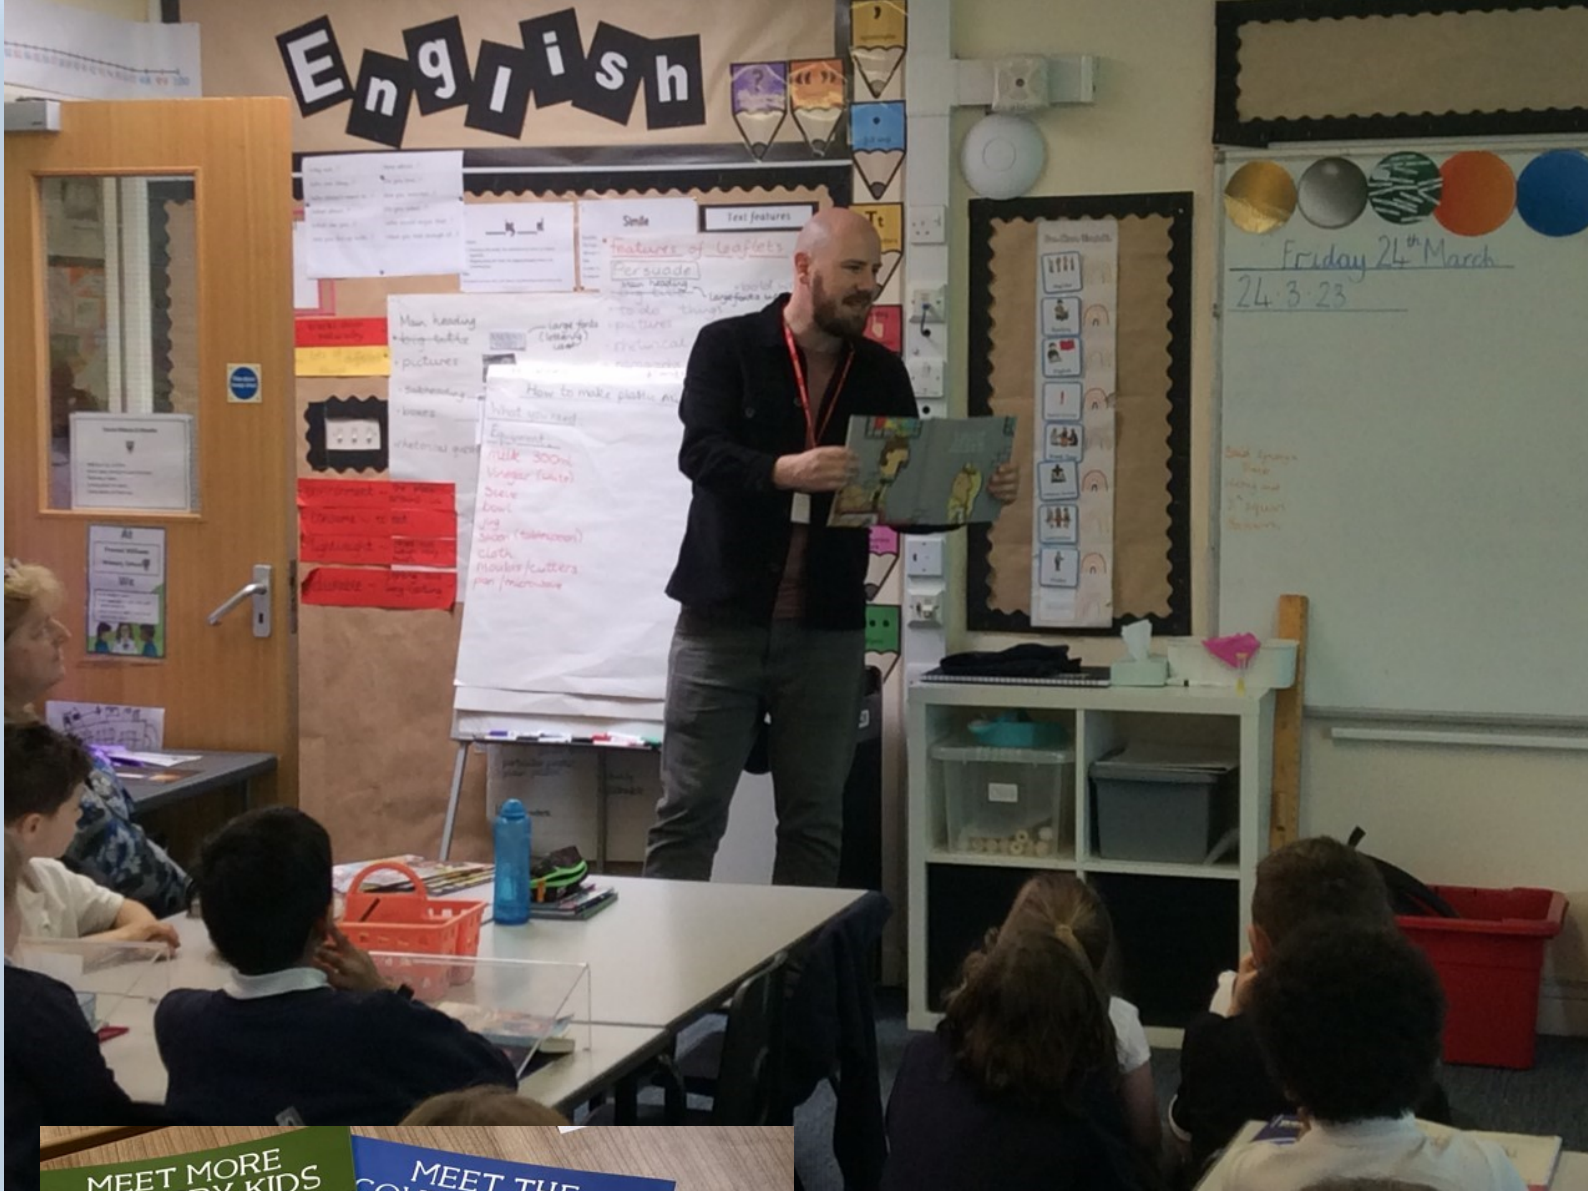

Mathematics papers 1 and 2

Friday 12th May 2023

Mathematics paper 3

### Year 4 Multiplication Table Check

Monday 5<sup>th</sup> June - Friday 16<sup>th</sup> June

On Friday, Year 3 and 4 had a visit from Aaron Ashmore, author of a selection of books about Coventry.

Aaron read the children a story, "Lady Godiva's Birthday Suit", and talked to us about being an author. He answered lots of great questions from the children including:-

Do you get paid for writing books?  
Who was your favourite author?  
How hard is it to write a book?  
What inspired you to write about Coventry?  
How long does it take to write a story?

What brilliant questions!

Aaron has donated a selection of his books to school - a set each for Year 3 and Year 4.

## Our School Values

Love

Honesty

Fairness

Hope

Respect

Forgiveness

On Friday we said a fond farewell to Mr Johnson, as he leaves the school to take up a new challenge after over 10 years at PWP. In a special assembly Mr Johnson received many gifts including a golfing lesson, a full sized Mariah Carey cut-out, a glittery castle, flowers, money, wine and beer. The children's home-made cards and gifts showed just how much they think of Mr Johnson. We also saw video clips of his performance at "Strictly Christmas" last year and also his involvement in a canoe capsized at Culmington manor with Year 6!

Mr Johnson leaves the school with our very best wishes, and thanks for everything he has done for the children of PWP during his time with us.

# Attendance Update

Week Commencing 20th March 2023

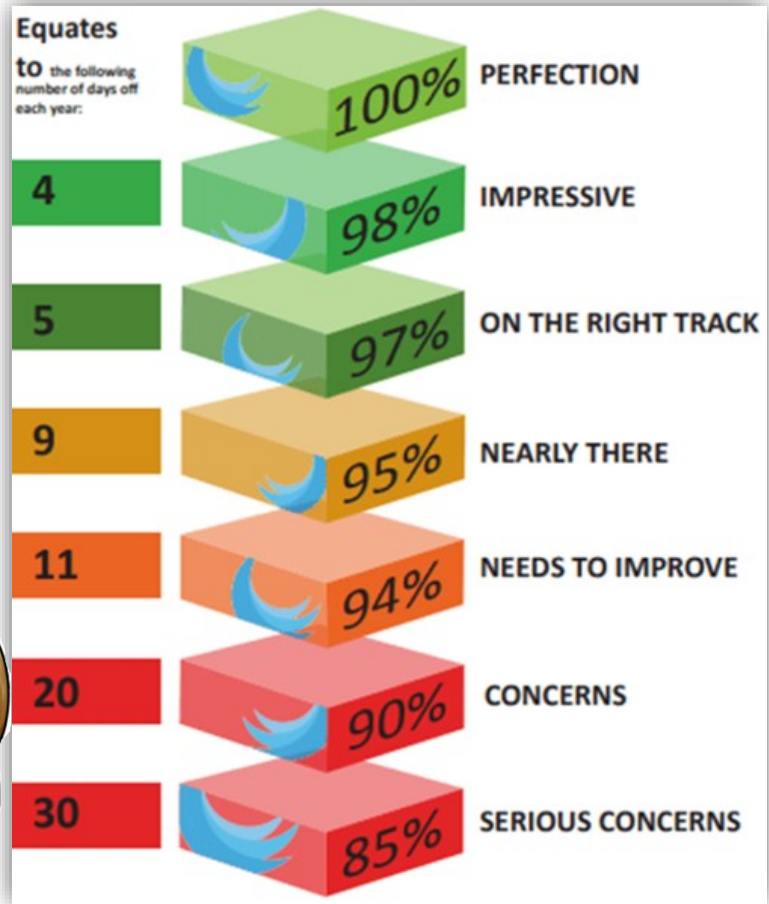

Attendance	
Nursery	100%
Reception	96.7%
Year 1/2	86.3%
Year 3	90%
Year 4	89%
Year 5	94.1%
Year 6	93.8%

PWP Attendance League		
Position	Class	Points
1st	Reception	10
2nd	Nursery	8
3rd	Years 5	4

Our whole school attendance target is **97%**

This week, we achieved **91.9%**

# Diary Dates

5th July	Moving-On Day (Induction Day for Secondary Schools)
14th July	Year 6 Prom
25th July	Break up for Summer Holiday

## Reminder: School Meal Price Increase from 1st April

### Price Increase from 1st April 2023

Educaterers have informed the school that there will be a price increase on each school meal from 1st April 2023. They have sent the following message:-

*Whilst our teams have been working relentlessly with our supply partners to manage costs while maintaining quality, Educaterers can no longer sustain the price rises experienced since September last year without passing some of that cost on to our customers. Food, labour, packaging, energy and fuel inflation have grown at rates not seen since 1992 and they are predicted to continue rising for some time yet.*

*As always we are determined to protect the quality of our service, and remain committed to offering best value to our customers.*

*I fully understand these types of communications are never welcome, however, I hope you understand this decision has not been taken lightly but is a necessity within the current climate.*

**The cost of a school meal from 1st April 2023 will be £2.50 per day, £12.50 per week.**

**VS VICTIM  
SUPPORT**

## WeMatter

An online group work programme for children  
and young people affected by domestic abuse

WeMatter is a totally digital service providing specialist support to children and young people aged 8–17 years old, who have been affected by domestic abuse. WeMatter delivers the CYP Domestic Abuse Recovery Toolkit, which offers a range of activities and discussions informed by Trauma Focused Cognitive Behaviour Therapy. This group programme is designed to help child and young people understand their own experiences, develop healthy coping strategies, increase levels of safety and achieve positive future relationships.

Our Wall of Respect in the school hall explores what it means to be respectful and how our actions show respect to others.

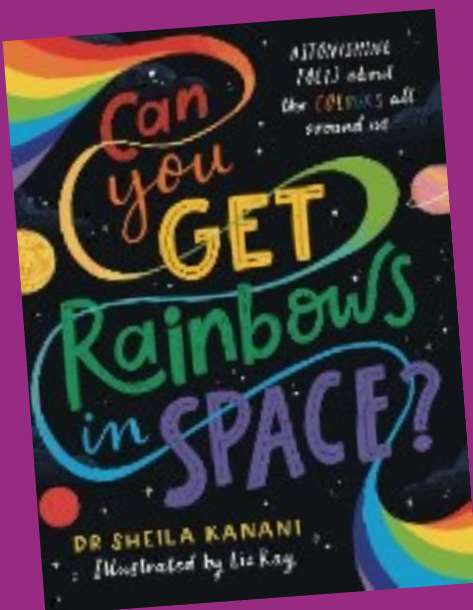

## Mrs Lampe Cullen's Recommended reads

Farah loves mangos! She could eat them all day long and she wouldn't mind living in one either. Every summer when she visits her Grandpa they always pick the ripe fruit from his mango tree.

This year, however, the tree is empty! Farah puts her mind to it and decides she will make the tree grow fruit. But perhaps Farah will learn there is more to a mango tree than just the fruit it bears?

You'll discover the answers to these questions - and many more - in this incredible collection of scientific facts about colour. We'll talk about light (the most important thing) and waves (not the kind you see at the beach - though you will learn why the sea looks blue!). You'll find out how some animals are able to glow in the dark and how others change their colours to hide from predators. Keep reading to discover why leaves change colour in the autumn, why your veins look blue but your blood is red, and why the language we use shapes the colours we see . . . and you'll learn exactly how to make a rainbow - in space.
