Provost Williams C. of E. Primary School

17th March 2023

@ProvostWilliams

This week, a number of classes in Key Stage 2 have had an assembly called 'Speak Out. Stay safe.' from the NSPCC. The assembly allowed children to explore how to keep themselves safe, and if they feel unsafe, who they can talk to.

There will be further follow up work around this in class, linked to our PSHE unit, 'Protective Behaviours'.

Mrs Baddeley and I have again been in classes. I was especially impressed with the knowledge that our very youngest children have linked to shape. They opened up their own learning and were inquisitive learners, who explored beyond their environment.

All children in Early Years and Key Stage one will be coming home with a letter about their phonics groups, along with a new reading book linked directly to the learning that they have done in class. Please share and explore the book with your child to help them to consolidate their learning.

On Friday, we welcomed mums and grandmothers into school for a special Afternoon Tea.

Huge thanks to our kitchen team, Mrs Bowen and Mrs Green, for preparing sandwiches and the most amazing cakes and scones, in addition to catering for well over 100 lunches!

Whatever your plans for the Mother's Day weekend, we hope you enjoy the time with your children.

### April Booking Forms for the Ark

Thank you so much to all the parents who have already sent in their Ark booking forms for April. Apologies, there was an error in the newsletter on one of the sessions' fees. The new prices are as follows:-

|                       | <b>New Price</b> |
|-----------------------|------------------|
| Before School         | £6.00            |
| 12-1.30pm             | £7.20            |
| 12-3pm                | £14.60           |
| After-School 3.15-5pm | £8.50            |
| After-School 5.00-6pm | £3.60            |

The new prices were unavoidable due to the increased costs associated with running the Ark, which is financially separate from the school.

If you have not yet sent in your booking form for April, please ensure this is done before the end of term as we need to plan ahead for straight after the Easter holiday. Thank you.

## Uniform

As we reach the end of term, I would like to take the opportunity to revisit the uniform expectations.

Uniform is an important part of a school's identity. It reinforces who we are as a community and helps pupils to feel pride in their school.

In the last two weeks, we have had a number of interpretations of what is and is not acceptable uniform and we believe it is time to clarify our expectations for pupils and parents. If you are experiencing challenges with regards to uniform, please come in and speak to us.

## Mrs Lampe Cullen's Recommended reads

It's February 1974 and working class families have been hit hard by the three-day week. The reduced power usage means fewer hours for people to work, and less money to get by on.

Thirteen-year-old Jason feels the struggle keenly. Ever since his parents died, it's just been him and his older brother Richie. Richie is doing his best, but since he can't make ends meet he's been doing favours for the wrong people. Every day they fear they won't have enough and will have to be separated.

A very special picture book debut celebrating the imagination, with an emotional and reassuring message.

Albie dreams dragons... some jewel-bright and fierce, some softly-scaled and whispery, but whichever kind they are, they stay with him throughout the night and the next day too. But the only trouble is that no one else can see Albie's dragons. Or can they?
