Fun in the Snow

This week started with a sense of spring in the air and ended with our field covered in snow!! The children have enjoyed the chance to play on the field and we had a number of snowmen appear over the past two days.

Mrs Baddeley and I have been continuing to monitor the teaching and learning in school and this week had the pleasure of being in a number of classes. The knowledge and linked learning that the pupils have is impressive. Year 4 were exploring homophones, Year 1 and 2 have been exploring Beegu and were able to infer how the character may be feeling because of how her ears looked, and I was needed to deliver a special letter to Reception class from Mama Dragon who had lost her eggs while flying over the school. Luckily, Reception class are amazing hunters and were able to rescue all of the missing eggs! Year 6 have had a PSHE focus on bullying and the use of social media platforms. Exploring what is and is not bullying and what the children should do if they are feeling unsafe. This week we sent a Dojo message about the ages that pupils have to legally be to have their own accounts on apps such as Snapchat. If you have any concern around what is said on any of the apps or are aware of inappropriate content, please let the school know.

PWP Etiquette

This term we will be focusing on one aspect of our school etiquette and all Citizen Awards will be based on around this. This week's etiquette was about showing good manners around school and in all aspects of school life. This links closely with our school value of 'Respect' and ensuring that we treat every member of our community with love and care.

- Regular attenders find school routines and school work easier to cope with.
- It improves the life chances of pupils as they move into secondary and adulthood.

Parents: Please check that your child is wearing the correct school uniform each day.

If you are in any doubt, there is a full uniform list under "School Life, uniform" tab on the school website.

Many of our children look smart and wear the correct uniform on both normal and PE days each week however there are still some children who do not.

Thank you very much for your support with this.

Anna's anxious when she's picked to befriend the new girl in her class. For a start, Ellie is ill and can't come to school herself. So Anna has to communicate with her through a new kind of robot. But Anna is also worried that her life's too small and boring to be of interest to her new friend. Compared to the other girls, she doesn't have anything exciting to talk about and so when Ellie asks her a question, a little white lie pops out. Then another and another. When Ellie finds out the truth, can their friendship survive ...?

Karl's simple text is a guide on How to Mend a Friend, whether it's a friend with a broken toy, a broken heart, a loss they can't explain or the sadness that comes when someone else eats the last cookie. Featuring a child and an imaginary animal friend, children will find it easy to relate to the story throughout, whilst learning how they might support a friend who feels sad.

Message from “Place 2 Be” to Provost Williams Primary School

“Thank you so much for your recent donation of £96.80.

From everyone here at Place2Be, I'd like to say a huge thank you for joining the Children's Mental Health Week 2023 community. We were blown away with the incredible support we received, which included:

- Children and young people from over **1,468 schools** across the country joined the Dress to Express fun, sporting incredible costumes including superheroes, pirates and sporting super-stars.
- Little ones from **222 nurseries** celebrated making connections together.
- **224 fundraising legends** took on their own personal challenge, whilst family and colleagues came together to make a vital difference at **173 businesses and community groups**.

Whether providing counselling and support to children when they need it most, working with parents who may be struggling or providing invaluable mental health training to teachers and school staff – every single penny that you raised is helping to make a tangible difference right now to the lives of children and young people.

The work we do is only possible because of incredible fundraising superstars like you!

Thanks again - your fundraising will help us get closer to a future where every child has easy access to mental health support. We hope to see you again next year! ”
