Provost Williams C. of E. Primary School

20th January 2022

@ProvostWilliams

This week was kicked off by the whole school celebrating World Religion Day. I was able to see the fantastic learning that was taking place across the school as the children explored different religions. The classes then shared their learning with each other and it was great to see just how much they had understood. I was even treated to some bread that Reception made and enjoyed exploring the 10 Commandments in Year 6 and took my chance to write them on my own clay slab.

We continue to focus on attendance in school and it was great to see last week that five of our classes achieved above 95%. We know that a child's attendance has a direct impact on their learning. Those children who are regularly absent from school and regularly late do not achieve their potential and do fall behind in class. Please support the school in this by ensuring that your child attends school regularly and arrives ready to learn and on time at 8.40am.

Attendance matters! It is important that your child gets to school on time and aims for 100% attendance!

Mrs Lampe Cullen's Recommended reads

His name is David. He's the boy with flowers in his hair and he's my best friend...

David is the boy with flowers in his hair. He's sweet and gentle, just like his petals. But when David's flowers begin to fall - a single petal at first, then every last blossom - his best friend never leaves his side.

And through kindness and creativity, he even finds a way to give David his colour back..

Cosima Unfortunate has spent all her life at the Home for Unfortunate Girls - a school where any disabled children, or children deemed different, are sent, whether their families want it or not. It is there that she meets her friends - Pearl, Mary and Diya - and they start to practise mini heists involving the theft of cakes, biscuits and other sweet goodies.
