Provost Williams C. of E. Primary School

13th January 2022

@ProvostWilliams

First full week back and what a fantastic week the children have had.

We were even visited by two Mont Jack deer, which as you can imagine caused a lot of interest from the children. We have identified (we hope) how they were finding their way in and filled any small gaps that were located.

This week, I have had the pleasure of teaching and supporting in a number of the classes and the knowledge that the pupils are gaining and sharing has been wonderful. I even had the chance to introduce Year 5 to a favourite game I used to play during my time as a class teacher - the Dictionary Game.

This week, staff have been uploading the Curriculum overview for this term to your child's class Dojo page. I hope that you find these useful to gain an insight into what your child is learning in school. As a parent, I always found that my own children would not offer information freely and the use of a curriculum newsletter sparked dinner time conversations.

On Monday, we are going to celebrate World Religion Day and each class will explore one religion in depth. It was first instituted by the Bahá'ís in the USA in 1950 but has since been taken up more generally. It is intended to show the similarity between the spiritual teachings of the major religions, that these religions are all valid and ultimately came from the same Source.

Mrs Lampe Cullen's Recommended reads

When Faizah's teacher asks her class to imagine what kind of world they want to live in Faizah imagines a world where everyone is kind to one another, and tries to create that world in the school playground.

But what Faizah wants most is be like her big sister, Asiya. Will Faizah's classmates repay her kindness and find a way for her to match Asiya in time for school photo day?

An important and uplifting story about celebrating each other's differences and similarities.

Three children. One long, boring school holiday at an ancient neighbour's. One very old, very smelly cat.

But when Ed and co find a box of birthday candles and make a wish, their world is changed completely. For with every candle comes a wish, but some of those wishes actually belong to someone else . . .

If you choose to send your child with a packed lunch, please ensure that it contains healthy food. Midday Supervisors often report seeing children with a lunchbox full of sugary and unhealthy food.

You will mainly work from home, with some attendance of meetings at times convenient to the governing body, typically early evening. These are both on-line and in-person meetings (when covid restrictions allow).

We are looking for someone who:

- is computer literate, especially with Word, web, and email, and has access to equipment for working from home
- is an efficient administrator, able to use initiative and able to work under pressure including meeting deadlines
- can research and manage advice from a variety of sources
