

PWP Post

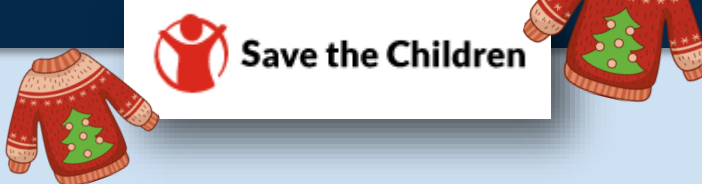

Provost Williams C. of E. Primary School

9th December 2022

@ProvostWilliams

This week it really has started to feel like the run up to Christmas, with a touch of Christmas spirit in the air, and a lot of Christmas jumpers!

It was lovely to take Year 1 - 6 to the Spa Centre. They all loved the panto, Cinderella, with two of the children being asked to help on stage and ring the bells. Mrs Baddeley even had a starring role when she threw the '5 toilet rolls' into the crowd.

We are all very much looking forward to the school performances next week and of course, 'PW Christmas Day!'

Behaviour Policy

This week, we have been evaluating the term and reflecting on the positives and what we do next. As a school we have been working extremely hard on behaviour and what good behaviour looks like. The introduction of 'Ready, Respectful and Safe', launching the PW Values and most recently our etiquette, have all planned a key part in this. Going forward, we will be introducing a new aspect to the behaviour system in school, which will be shared with the children on Monday. We acknowledge that some children need a little more support to make the right choices and this is going to take time and a slightly different approach. More details of this are in the letter on Dojo and emailed to parents.

Friday 16th December

Christmas Day in School including Christmas Lunch.

Recommended Read

By Mrs Lampe Cullen

This book will define, debunk and demystify the trickiest of questions and even open your eyes to questions you have never even thought of! With engaging and accessible text and accompanied by exciting, inviting illustrations, The Bedtime Book of Impossible Questions is the perfect bedside companion to delve into when you are wondering if there really is an answer to everything.

The children have opened our next two advert books, The Friendship Bench and The Invisible. Both are truly wonderful and the children have enjoyed exploring and discussing these books in class this week.

At the end of this term we will be saying a fond farewell to much loved teacher Mrs White.

Mrs White has taught several classes throughout school, most recently Reception and Year 3. Children and staff love her bubbly nature and energy, she will certainly be very much missed.

We would like to say a huge thank you to Mrs White for everything she has done for the school particularly with the delivery of our phonics programme, an area she had special expertise in. We wish her all the best for her new position at a school nearer to her home.

Get Ready for Christmas ...

The holiday activities and food (HAF) programme is for school aged children in full time education from reception to Year 11 (inclusive), who receive benefits related free school meals. The programme offers valuable support to families on lower incomes, giving young people the opportunity to access activities with a healthy meal provision over the main school holidays at Christmas, Easter and Summer.

There is still availability for the Christmas Holidays across a number of providers. Use this link for more information and to apply:-
