

PWP Post

Provost Williams C. of E. Primary School

18th November 2022

@ProvostWilliams

It's "Children In Need" day today and the children were buzzing with excitement this morning about wearing spotty or yellow clothes and choosing a cake at playtime. As well as the delicious range of cakes donated, we managed to raise £168.25 for Children In Need, a fantastic effort, thank you very much. Special mention has to go to Austin T for making these wonderful spotty cakes (top right) and also to our school cooks who again made the occasion special with decorations, Pudsey biscuits and cakes.

We are an incredibly giving school community. We announced this week that a record-breaking £180.00 was raised for the Poppy Appeal. Thank you so much, this is really amazing.

Visitors to the Remembrance Exhibition at the Village Hall on Sunday were delighted by the respectful and poignant pieces of work from PWP children. It was lovely to be able to show the local community how children of all ages have marked Remembrance in school.

Our School Values

Love

Honesty

Fairness

Hope

Respect

Forgiveness

Behaviour continues to be a focus in school. Where children's behaviour is not in line with school expectation, consequences will be applied in line with the behaviour policy. We will also be making contact with parents to discuss behaviour where needed. This is balanced with children receiving Dojo points which they will trade in this term at the Dojo Shop.

Thank you for your ongoing support.

Mrs Lampe Cullen

Head of School

As part of our focus on reading, including "Reading For Pleasure" it was lovely to see the Reception children selecting their library books this week. I was lucky enough to be passing the library at the time and very much enjoyed sharing a book or three with the children.

It has also been National Anti-Bullying Week. We have had a number of assemblies which explored what is meant by bullying and what to do if you or a friend are being bullied. We also had a parents meeting exploring what to do if your child is being bullied or is the bully and how best to handle this challenging matter. This will be shared on the school Dojo today.

A lunch time activity club will start next week and pupils will be offered the chance to play board games, complete some mindful colouring or even share a good book.

Mrs Lampe Cullen

Head of School

We would be grateful for any donations of simple board games. If you are having a pre-Christmas clear-out and have some to spare, please bring to the office. Thanks.

Children can book Christmas Dinner on the morning with their teacher as usual.
(Normal price for children who pay for school meals)

SENDIAS webinar to provide special educational needs and/or disabilities (SEND) support for families in Warwickshire

Warwickshire County Council is hosting another special educational needs and disabilities (SEND) webinar on Monday 21 November covering the support available for families through Warwickshire SENDIAS.

Warwickshire's Special Educational Needs and Disabilities Information Advice and Support Service (SENDIAS) provides free and impartial information, advice and support to disabled children and young people, and those with SEND from birth to 25, and their parents and carers living in Warwickshire. The service is commissioned by Warwickshire County Council however all information and advice provided to families is completely impartial.

A team of local advisers can assist families on all matters related to SEND including, but not limited to, speaking to schools about SEND support for their child, understanding professional reports as well as the law and local policy and going through the process of mediation and tribunals.

During the session, attendees will hear from members of the SENDIAS team who will explain their role and the support they can provide to families, and when and how this can be accessed. There will also be the opportunity to take part in a question-and-answer session.

The webinar will take place on Monday 21 November, 12.30pm - 1.30pm and you can register to attend at: <https://bit.ly/WARKSENDIAS>

Dear Parent/Carer,

Educaterers are a leading education catering specialist, working in partnership with our school. They follow the Government's School Food Standards and hold the Silver Food for Life accreditation; their teams of expert catering staff ensure that all students have a healthy choice of food at lunchtime, with options to meet the needs of all age groups and those with notified special dietary requirements.

If you currently provide food from home for your child, this is the ideal time to consider a school meal as an alternative, as we know that the menus are popular with students and offer good value for money, with a hot meal and dessert for £2.35.

We encourage parents and carers to apply for free school meals, where applicable, as this can save parents money and encourage students to try different foods.

To check on your child's eligibility for free school meals and/or apply please go to

<https://www.gov.uk/apply-free-school-meals>

With over 60 years experience in the education sector, we bring all that specialist professional knowledge with us into your school kitchen. As long-time advocates of sourcing local British ingredients we are proud of our partnership with Love British Food
For more information about our meals, speak to the catering team at your school or visit www.educaterers.co.uk
