Provost Williams C. of E. Primary School

@ProvostWilliams

It has been a wonderful first half term in school. There have been a number of changes, but these have all led to a much calmer learning environment for the children.

For me, it has been great to get to know the children and families within the community. For the past week I have had the privilege to watch a number of Year 6 children overcome their fears and take a leap of faith (some literally) and where those who still found things challenging, it was amazing to see a large number of children offer words of encouragement and support for the next challenge.

I couldn't be more proud.

Message from the Executive Headteacher

It has been a lovely half term and it has been a pleasure to get to know yourselves and your children. The children have worked hard and have been focused on their learning. During this half term, we have focused on implementing our new behaviour policy to make sure that all children in school have every opportunity to learn each and everyday. Thank you for your support with this. We will be continuing this next half term too. We have also spent time looking at attendance and next week you will receive a letter letting you know your child's current attendance. Please look out for this in your child's bag. We are aiming for all children to achieve at least 96%.

Wishing you all a lovely half term.

Mrs Baddeley.
