7th October 2022

Provost Williams C. of E. Primary School

@ProvostWilliams

I hope that you have all had a good week. It has been a great week in school, and it has been brilliant to see all of the children really getting involved in their new learning. Year 6 have been designing sweet boxes in Art, Reception class have started to explore their first set of phonics sounds and Year 1 and 2 have been able to explain to me what migration means.

In our last newsletter, I drew your attention to the importance of attendance in school. We have created a leaflet for parents with further information about the importance of children being in school and arriving on time.

Stay and Play

Due to the number of children attending Stay and Play sessions currently, we are going to put these sessions on hold after half term (from week beginning 31st October 2022), we will review the provision and will write to you again with any further updates.

Mrs Sherrise Lampé Cullen

Head of School

Next week, Year 6, accompanied by Mr Lee, Mr Middleton, Mr Johnston and Mrs Lampé Cullen will be challenging themselves in a huge range of adventurous activities at Culmington Manor. Check out our Twitter page to see them in action next week. Have a fantastic time everyone!

Harvest Collection at Provost Williams

Harvest Festival is a celebration of food grown on the land. It is an opportunity for us to be thankful for what we have and to give to those in need.

We will start our Harvest Collection on **Monday 3rd October**. If you are able to help, please see the "Shopping List" of items most needed by the Rugby Food Bank. They said:-

"Harvest is an important time in the foodbank calendar as it helps us to restock the essential items. We are seeing more people coming to our foodbank due to the cost of living crisis and we need to prepare ourselves to be able to help."

Thank you so much for your support.
