Love

Honesty

Fairness

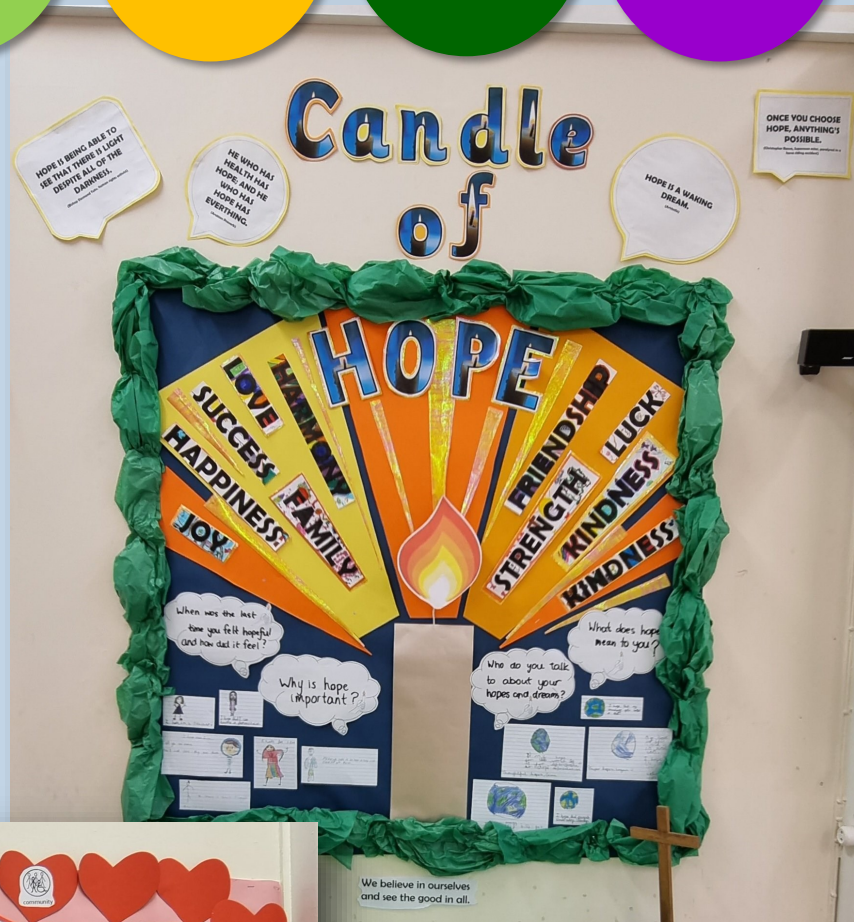

Hope

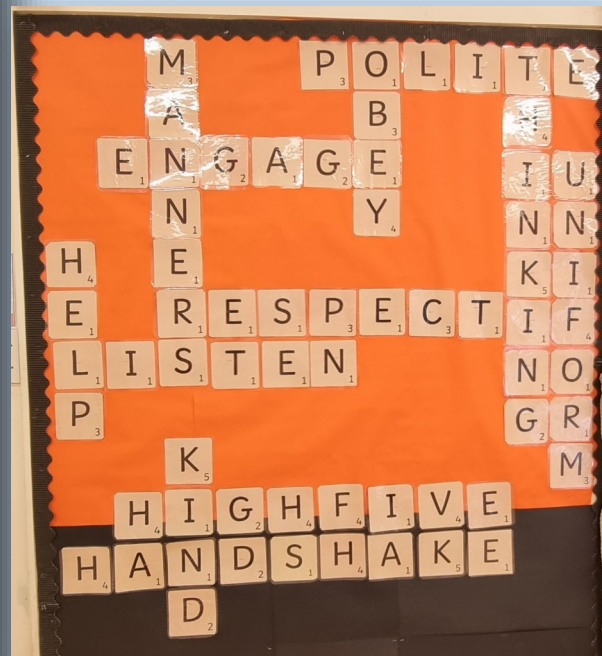

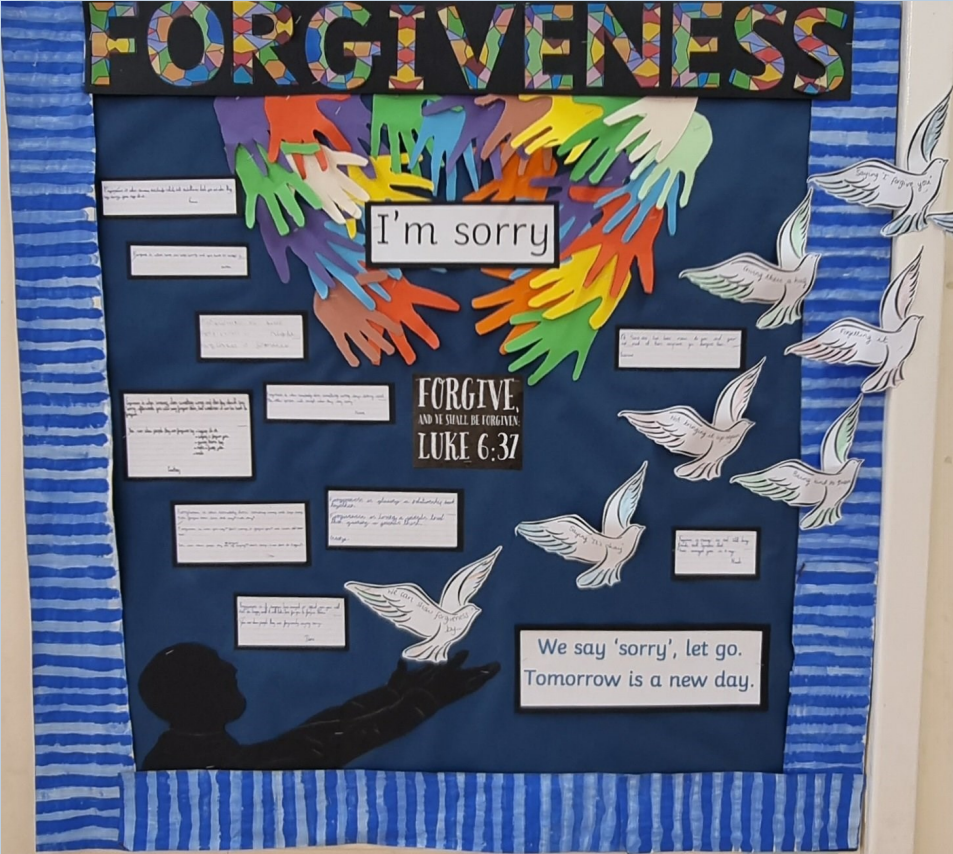

Respect

Forgiveness

I can't quite believe that we have been back in school three weeks now. All the children are settled, and working hard in class. As I walked around school, I am pleased to see such concentration and hard work from the children. Below you will see the wonderful work that the classes have done to show what it means to be part of Provost Williams: Love, Fairness, Forgiveness, Respect, Honest and Hope. These values are the core of who we are as a school, family and a community.

Morning Routines

We have made a slight change to drop off in KS1, which I know some parents have been very appreciative of.

I just wanted to clarify that all children should arrive at school from 8:40am and make their way to their classrooms, so that they can pop their coats and bags in the cloakroom and be ready for registration. The register closes in class at 8:55am. The side gate will be locked at 8:55am and anyone who arrives after this time must enter the school through the main entrance. These children will receive a late mark in the register. If you need to speak with the class teacher for any reason, please either speak with them after school, or email admin3212@welearn365.com

Contacting Staff

If you wish to contact a member of staff to raise an issue or gain further clarification, can you please email the office on admin3212@welearn365.com instead of the teachers directly. The class teacher will then be informed about your email and will either call you, or arrange a meeting in school.

Special Educational Needs and Disability (SEND) Webinar

Tuesday 4 October 2022 - 1.30pm to 2.30pm

Health Visiting Service

Join the discussion hosted by Warwickshire County Council to learn about the health and wellbeing support available to help families with children aged 0-5 years, with a particular focus on SEND.

Webinar to help families with children aged 0-5 with special educational needs or disabilities in Warwickshire

Warwickshire County Council is hosting another special educational needs and disabilities (SEND) webinar on Tuesday 4 October to support parents-to-be and parents with children aged 0-5.

The webinar offers an opportunity to understand more about the support provided by the local Health Visiting Service, with a particular focus on children with SEND.

Health Visitors offer advice on a range of topics from eating, sleeping and toileting as well as housing, relationships and caring for and making connections with your child. They play a vital role, working in partnership with parents to assess needs and identify problems or issues at the earliest opportunity.

The webinar will explain how health visitors will work with families and other agencies to improve health and wellbeing for the whole family, looking in more detail at the support the service offers for children aged 0-5 years with SEND.

During the session, parents and carers will also be able to put their questions to the 0-5 team from South Warwickshire University NHS Foundation Trust.

The webinar takes place on Tuesday 4 October, 1.30pm - 2.30pm and you can register to attend at:

Provost Williams PTA needs you!

After a difficult few years, we are so excited to be planning some fantastic events for our children, and raising important funds for the school community. As many of our committee have now moved on from Provost, we are looking for new people to join our friendly team! Whether you are able to help out at events, or can turn your hand to admin and marketing, we would love to chat to you.

We will be holding an informal get-together at The Blacksmith's Arms at **8pm Monday 3rd October** to meet and chat to anyone who is interested in joining or supporting the PTA and we would love to see you there.

Funds raised by the PTA have contributed to outdoor equipment, iPads and reading books for the school, as well as giving the children enjoyable events like discos, movie nights and our annual Christmas and Summer Fayres.

However you would like to be involved, we are looking forward to meeting you! Any questions, thoughts or ideas, please message Hannah Cox cheeryhannah@hotmail.com or just find her on the school run!

Thank you!

We're looking to hear the views of children and young people to help shape the county and create a Child Friendly Warwickshire. The council has just launched Dialogue, a new online discussion platform, and Child Friendly Warwickshire is the first initiative to use the tool to engage with young people, their families, and schools.

Dialogue provides a safe space to form constructive ideas and make comments on what they think would make Warwickshire a better place to grow up in and more child/young person friendly! The Child Friendly Warwickshire Dialogue forum asks our Children and young people for more ideas to make Warwickshire as child friendly as possible, to enable all children and young people to be heard, safe, healthy, skilled, and happy.

We're encouraging children and young people to comment on existing ideas and add new ones here:
