

Core Subject Areas

Message from Year 5/6

PE- MONDAY AND THURSDAY

As Writers

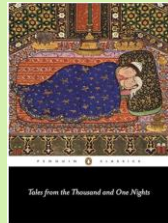

How to pace stories,  
How to show character through speech.  
Recounts and how to make them engaging.  
Non-fiction reports, persuasive letters and voice-overs for films.

As Readers

1001 Arabian Nights

Good night, Mr Tom

Tales from the Thousand and One Nights

As Mathematicians

We will start the year by revisiting our previous knowledge, then building on this, learning how to calculate numbers up to 10,000,000 We will then work on the four number operations – addition, subtraction, multiplication and division, ensuring that we can both calculate and problem solving using these skills.

Home Learning

Please make sure your child reads every night and practices their spelling and multiplication tables on TT Rockstars

Foundation Subject Areas

As Scientists

**The Circulatory System.** We will discover why the circulatory system is so important, know what blood is made up of.

As Philosophers

Are science and the Bible account of creation in conflict?  
What different beliefs do people have about land?

As Geographers

North America – Countries, rivers and geographical features. Where are the main population centres, and why?

As Technologists

We will be reminding ourselves of purple mash and E-safety in our first half term.

As a Sportsperson

Monday – Dance – Carnivals.  
We will be learning how to dance a Samba.  
Thursday – Invasion Games - Football

As Designers

We will be using electrical circuits to make a light-up card.

As Musicians

Hey Mr. Miller – singing accurately and with expression.  
Swing style.

As Artists

We will start this term by using our drawing skills looking at art from Western Africa

As Historians

WW2 – why did Britain declare war? Why were the Battle of Britain and codebreaking important? What evidence do we have and how reliable is it?

As Citizens

Our goals for the year, and how our choices affect those around the world as well as ourselves.
