Maths Long Term Plan 2025 – 2026

		Year 1/2 LTP (2025-2026)							
		Weeks							
		1	2	3	4	5	6	7	8
Term	Autumn 1	Place Value (within 20)			Addition and Subtraction (within 20)			Shape	
	Autumn 2	Place Value (within 100)				Length and Height		Problem Solving	
	Spring 1	Addition and Subtraction (within 100)				Money			
	Spring 2	Multiplication and Division				Problem Solving			
	Summer 1	Fractions			Time				
	Summer 2	Mass and Capacity		Statistics	Position and Direction		Problem Solving		
	Summer 2	Mass and Capacity		Statistics	Position and Direction		Problem Solving

Maths Long Term Plan 2025 – 2026

		Year 3/4 LTP (2025-2026)							
Term		Weeks							
		1	2	3	4	5	6	7	8
	Autumn 1	Place Value			Addition and Subtraction			Length and Perimeter	
	Autumn 2	Multiplication and Division (A)				Measurement - Area		Problem Solving	
	Spring 1	Multiplication and Division (B)				Fractions (A)			
	Spring 2	Mass and Capacity		Fractions (B)		Problem Solving			
	Summer 1	Time		Decimals		Money			
	Summer 2	Shape		Position and Direction	Statistics		Problem Solving

Maths Long Term Plan 2025 – 2026

Year 5/6 LTP (2025-2026)								
Term	Weeks							
	1	2	3	4	5	6	7	8
	Autumn 1	Place Value			(Residential)	Addition and Subtraction		Multiplication and Division (A and B)
Autumn 2	Fractions (A)				Decimals (A)		Problem Solving	
Spring 1	Fractions (B)		Area, perimeter and volume		Fractions, Decimals and percentages			
Spring 2	Decimals (B)		Ratio	Algebra	Problem Solving			
Summer 1	Shape		Position and Direction	Statistics	SATs Week	Converting measures		

	Summer 2	Four number operations	Fractions	Statistics	Problem Solving
