"Let your light shine"

School improvements continue to evolve in school this term. Last week, Mr Lee and Mrs Gayler were able to work with a School Improvement lead, Rachel Gallyot. They worked on unpicking our History and Geography curriculum, so as subject leaders they fully understand the development of our curriculum from Early Years to Year 6. This week we have an Art and Maths focus and Mrs Baddeley will be in to support our subject leaders.

You can now find additional information about our curriculum on the website as well as key information about your child's class by visiting their class page:-

<https://www.rytonondunsmore.covmat.org/curriculum/>

<https://www.rytonondunsmore.covmat.org/class-pages/>

Number Day

Number day is coming up on Friday 7th February. This annual campaign organised by the charity NSPCC encourages children to get involved in numbers-based activities including 'Dress up for Digits', in which children get dressed up in number-themed costumes or can come in non-uniform. In the run up to the 7th, there will be a number of in-school TTRS challenges.

Attendance

This is the time of year when there are lots of bugs going around and it is possible that your child could miss a lot of time at school. Many parents are unsure whether or not to send their child into school if they do not seem to be feeling entirely well. Generally, if you are unsure, then we would advise bringing your child into school and letting us know to keep a special eye on them. Staff are very good at spotting when a child does not seem right. We can call you and ask you to collect them if needed. If you do decide to keep your child off school but they then are much better later in the day, we will always be pleased to see them.

Library Open

Reading Cafe

Come and enjoy a warm drink and biscuit with your child and choose books to take home from our collection kindly donated by the "Own Books" organisation.

The next one will be **Wednesday 22nd January** from 3.15 in the library.

Several parents have suggested having books and magazines available for parents to borrow/keep.

We will be adding these to our "Own Books" shelves by the office. If you have any magazines or books you don't want and think someone else might enjoy reading, we would love to have them!

Miss Cullen's Recommended Reads

Fluffy, an excitable little dog, loves going for walks with Mum and Lilly. He has fun chasing balls in the park though he'd really like to play with his friend Andy, which is never allowed. When Fluffy gets lost though, it's Andy and his owner who look after him, taking him home to the mattress in the subway where they sleep, and then back to Mum and Lilly. Next time they go to the park, Mum stops to chat to Andy's owner while the two dogs play together. Quietly and through Fluffy's happy, unprejudiced eyes, the story takes a look at homelessness and the people we try not to see. Managing to combine warmth and humour with careful observation, it's a book to encourage understanding and empathy. Emma Chinnery's watercolour illustrations make the city and the characters glow with life.

With King Richard gone and the tyrannical Sheriff of Nottingham ruling in his place, the people need a hero - or a whole motley crew of them. Robin Hood and the Outlaws outsmart the usurpers again and again, but as in any battle, no side escapes without casualties.

Meanwhile, centuries later, more lives on than just Robin Hood's legend. For there is a grave, with a silver arrow, and a boy destined to discover them in the woods ...

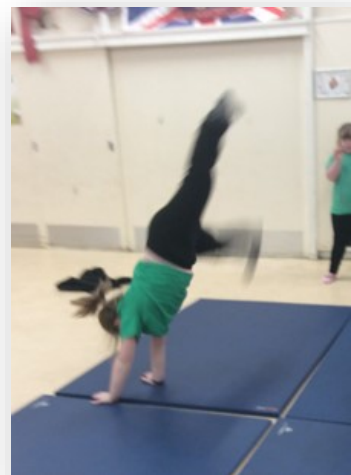

Head of Kitchen Vacancy at
Ryton-on-Dunsmore Academy

- 20 hours a week

- Catering experience is required
